Greater Boston
Consumer Advocacy Network

Receptionist

UPDATED SEPTEMBER 28, 2015

NAMI GBCAN

The NAMI Greater Boston Consumer Advocacy Network (GBCAN) is a peer-run organization helping people advance in their recovery from mental health and/or addictions. Our volunteers help run support groups, do individual and systemic advocacy, outreach and development, information technology, public policy, tutoring and other activities. You will be working closely with co-founder Howard D. Trachtman, BS, CPS, a nationally recognized mental health advocate and a variety of passionate other volunteers.

Responsibilities

NAMI GBCAN seeks receptionists and clerical workers to help us serve people with mental health and/or addictions and their families.

While the NAMI GBCAN office and the Hope Center hoperlc.org are open on Tuesdays, Wednesdays, and Thursdays from 10:00am-3:00pm, our other locations have varying hours on weekdays and weekends.

Application

To apply or if you have any questions, please contact:
